

*Muskingum River Navigator*  
  
*Shallow Water Sailor*

The ZYC is most proud of its unique program to promote the Muskingum River Parkway System. Boaters can qualify as a "Muskingum River Navigator & Shallow Water Sailor" by navigating the entire length of the Parkway, passing through each of the nine locks and dams. Those who complete the course are sent a certificate for framing as well as placed on an official log sheet archived & displayed at the clubhouse by the ZYC & published on our website. More than 400 "Captains", one as far away as Sweden have qualified to date. We keep an official log book & display the log sheets at our clubhouse & on our website.

# Why Join?

**FUN:** The ZYC is a fantastic way to enjoy river recreation that includes boating, fishing, swimming, cook outs, picnics, parties, etc. along the historic Muskingum River.

**FRIENDSHIP:** What a great way to meet new friends by belonging to a social club that does not have the stigma that many yacht clubs have. We are a group of average people who enjoy a common interest, not a bunch of super rich, snobby Yacht Club people. **DON'T BE FOOLED BY THE NAME.** *If you are looking for a snobby Yacht Club...Don't bother joining here...you won't find it.*

**FELLOWSHIP:** What a great way to enjoy the new friendships you have established by coming to parties and just hanging out at the clubhouse & docks. We have annual parties that are the best, including the Parrot Head Party, Hog Roast, the Installation Banquet & the Fourth of July Chicken Roast.

**GUESTS WELCOME:** If you are a member you are permitted to bring your family & friends to the clubhouse & events. We do have some restrictions but we are very accommodating to your guests.

**BOATING & WATER RECREATION:** **You do not have to own a boat to join but...** yes of course we do boat. Many of our members do have boats & many do not. We have one of the best boat ramps on the river as well as some of the best docks with electricity & water. You don't have to own a big yacht to enjoy boating on the river. The majority of our boats consist of pontoons, fishing boats, small speed boats and even a few canoes. We have a few house boats & large cabin cruisers as well. Travel through the historic hand-operated locks for a thrill that never gets old or just have fun fishing off the docks or our banks.

**RECIPROCAL PRIVILEGES:** As a member you also receive a "Yachting Club of America" membership card which entitles you to enjoy some privileges at Yacht Clubs all over America. Many of our members enjoy this at Buckeye Lake, Sandusky, Put-In-Bay and many clubs along Lake Erie just to name a few. While traveling you can enjoy this privilege at prestigious clubs all over the United States & the Virgin Islands.

**AMENITIES:** Large club house with a bar, full A/V resources with 6 foot screen with digital projector & laptop hook up, full bathroom facilities with showers, full kitchen with large cooler, large patio with several pic nic tables, fire pit, plenty of parking, boat storage, over 750 feet boat docks with courtesy area, and a large ramp at river access.

**AFFORDABLE:** Our fees are the most reasonable of any Yachting/Boating Club in the area. With our clubhouse & amenities I challenge anyone to find a less expensive "Apples to Apples" private membership fee anywhere.
