OFFICIAL NEWSLETTER OF THE ZANESVILLE YACHT CLUB

August 2006

## Parrot Head Party 26th of August

### COMMODORES COMMENTS:

*Notes from Commodore Jeff Hardwick*

If you read the newsletter you will have a good idea of what's going on however it is impossible for me to include everything. That is why we schedule some general membership meetings to go over things in more detail. I know this is late notice but I have had several members that wanted to have a meeting to go over some new things.

So we will have a General Membership Meeting Wednesday August 9th. Try to attend if you have not made one yet this year to be filled in on some additional information that is not in the Newsletter. ODNR inspected 8 boats last month at the clubhouse grounds & docks. The turnout was low due to poor weather. It was raining & the river was high. I was glad we at least had some people show up with boats to inspect. Read on... because we still have a lot going on & a lot to accomplish. As always send any comments, suggestions or ideas to me at [zyachtc@columbus.rr.com](mailto:zyachtc@columbus.rr.com) or mail to PO Box 334, Zanesville OH 43701-0334 or call 319-SAIL & leave a message.

Need an extra key or yours sticks a little let me know, these additional keys are cut from the master key & work much better. I know I am missing some people to thank & I am sure that there are individuals that deserve some thanks that I am not aware of. So if you know of some people that need thanked, let me know & I'll put it down in this section. I know that most people do things because they want to help not because they want the praise but as your commodore I want to acknowledge these folks when ever I can because I truly appreciate all the help that makes our club stand out from others. Now with all that being said don't forget to check out the dates for work party & the new "To Do" List that will be posted in clubhouse by the Bulletin Board.
