Memorial Day**

## COMMODORES COMMENTS:

*Notes from Commodore Jeff Hardwick*

Boating season is finally here. We have a lot going on so please read the newsletter for current information & check out the website for news as well. The Docks are in & all was in our favor for an early placement. The weather, the river & the help all co-operated for an easy installment of the docks. We still have some work parties planned to finish up Dock work & general clean up. Installation Banquet is May 5th & Our next General Membership Meeting is scheduled for May 10th & we will be going over a lot of things that really need your input. So try to attend. As always send any comments, suggestions or ideas to me at [zyachtc@columbus.rr.com](mailto:zyachtc@columbus.rr.com) or mail to PO Box 334, Zanesville OH 43701-0334 or call 319-SAIL & leave a message..

## MEMBERS NOTICE

**FRONT ENTRANCE CABLE WILL BE LOCKED FROM NOW ON.** If you are a member we are asking you to lock the cable back up behind you when you enter the property & when you leave. We all know it will be a bit of an inconvenience at first but it is something we all need to do. It is the members responsibility to help with security as well as police the clubhouse & property area. We have had some theft as well as non members parking & littering on the property. So unless we keep a closer watch, we will be taken advantage of every chance the thief gets. Your clubhouse key will work on the keyed lock & the password on the combination lock is 1980. Either lock will open the cable. If you have any problems or questions please give me a call at 319-SAIL.
