COMMODORES COMMENTS:

Notes from Commodore Jeff Hardwick

We have has a busy month with many things going on & more to come. The months keep flying by. We had our Halloween Party last month & just had a great Ohio State Beat Michigan Party this month. The Halloween party was not as well attended as in the past but I am pleased to say that our first Ohio State Party made up for it. There wasn't a seat left in the clubhouse. The digital projector made for excellent viewing of the game & the sound system was great as well. Poker Party coming up and a general membership meeting you don't want to miss. Check out the calendar and as always send any comments, suggestions or ideas to me at zyachtc@columbus.rr.com or mail to PO Box 334, Zanesville OH 43701-0334 or call 319-SAIL & leave a message..

WHAT'S NEW & COMING SOON:

Suggestion Box Update: Not much this last month. We must be doing a good job.

Front Gate: We are still researching bids. May see something new next season.

Light at Entrance & On Sign: The pole at the front entrance has been set. We have a bid for electric & lights. **This is our next priority.** We will complete this project as soon as funds are present.

ICE CHEST: \$1.50 a bag. It looks like it will be here to stay as long as we support the efforts & at least break even with this venture. Don't forget about it when you have your next party at home or need to fill the coolers for the tailgate party at the next football game.

DIRECT TV w/ Local Channels??? **YES, YES, & MOVIES TOO:** We finally got it. We are now set up to have ball games that are on local channels. Games, NASCAR, Boxing events....You name it. We have arrangements to borrow a digital projector for main events & will run cable line so that it can be viewed on one of the walls for a big Screen effect. Lets get together for a game & enjoy some fellowship. We just had our first Game event as mentioned earlier which was the **OSU vs Michigan Party** & everyone who attended had a great time. We had three football charts going as well as a half & half drawing. The club ended up making around \$265.00 and some lucky people ended up winning around \$1400.00 in winnings. **Krysta Berkfield** was the big winner on the Chart winning the \$500.00 end of game score square on the chart. Other winners that I can remember were **Brad Matheney, Greg Hardwick** (yes, he is my brother but no he did not share his winnings with me).

Website Update: I have updated the website with current roster & a copy of the By Laws & constitution listed on the members page. I also update with current newsletter & calendar update. So check the website each month or even weekly for updates. This is a great way to stay informed. If you can't find your newsletter or forget a date of meeting, just check the website for all of this information. If there is something you want me to add, let me know & I'll put on there. I would like some new photos so if you have any

you want too share please forward them to me & I'll put them on the website.

***Scrap Iron Sale:** **Dave Page** who works at Muskingum Scrap Iron had asked if anyone wanted to donate scrap iron for sale to benefit club and **Jay Fisher** donated his Junk Hog Roaster & was sold for \$100.00. Thanks Jay. Once again Jay showing his dedication to the club. He will certainly make a great trustee.
