COMMODORES COMMENTS:

Notes from Commodore Jeff Hardwick

This newsletter is a double month Newsletter for both January & February. We are starting a new year already & your trustees are already getting ready for spring activities. We did have a very nice Christmas Party/Meeting in December. Thank you to all of those members who came. We had a great time. We also voted for trustees at that meeting & then the trustees had their first meeting in January which they voted for officers, which will be reported on later in this newsletter. We are planning another busy year so make sure you check out the calendar. First on the list is the Super Bowl get together. As always send any comments, suggestions or ideas to me at zyachtc@columbus.rr.com or mail to PO Box 334, Zanesville OH 43701-0334 or call 319-SAIL & leave a message..

We are wanting to Landscape the zYc sign in front with some type of Nautical rope & Timber Design like you may see at a Marina. We feel this will really accent the sign & add a Nautical theme as well. If anyone has any ideas or know of someone who can help us with this idea please let Commodore Jeff know so that we may have something ready in spring. Speaking of the sign in front.....Check out these night time photos.....**KNOW WHAT YOU ARE LOOKING AT???????** That is correct!!!!!!!!!!!!

The sign & front entrance is finally illuminated... **YIPPIE!!!!!!!!!!** Tom Colopy & Jeff Hardwick christened the new light post with a bottle of champagne a couple of weeks ago when the illumination presented itself. This was a major undertaking that finally came to realization. A **MUCH NEEDED IMPROVEMENT IN LOOKS & SAFETY!!!!!!**

Don't Forget *Dena's Design* for your Valentine's Day Flowers.....REMEMBER zYc Members get 10% off any order.

NOTE TO ALL MEMBERS:

Please remit dues as soon as you can so we can continue to provide excellent service to the club membership. This will allow us to be best prepared for boating season when it comes upon us. Please let us know your intentions on docking for next year as we still have a waiting list. We are hoping to have a good idea of members status & intentions of docking well before the installation banquet which will probably be held in March. I know it seems like a ways off but March is only three months away & before you know it we will be putting the docks in. Thanks for you cooperation & I am looking to begin the new year with an even better start than last years.
