WHAT'S NEW & COMING SOON:

Suggestion Box Update: The trustees do look at these suggestions at there next meeting & will review all comments. Three new suggestions **#1.** Paint the walls blue & red carpet. We thought long & hard but had to say NO! **#2.** Curling Court in the Winter. We thought this was a good idea & Jay Fisher said he would look in to it for next year. **#3.** Purchase some new or additional **"NO SMOKING"** signs. It seems that some members disregard the current ones hanging in the clubhouse & may need a few more reminders. **PERSONALLY I do not think we need any more signs.....I just think these members need to be more courteous & abide by the rules. We don't want the clubhouse smelling like cigarette smoke. Please remember that our club by-laws state that if members do not abide by the rules & regulations of the club their membership can be revoked.**

Web Site: Stay informed. Check often.

Pick Nick Tables: We still have 5 Tables left to dedicate at \$250 each...Or you can do a half at \$125.00 or even go in with 5 people at \$50.00 each. We will recognize all who sponsor a table with engraving or plaque.

Dock Lease Agreements: Those of you who will be docking this year should already have signed this.

T-shirts/ Hats/ Visors & Key Chains still Available: If interested, let a trustee know & we can get you one. They are at the clubhouse with prices on them.

New Docks are HERE: We have added three new sections just south of the ramp. An extension to the docks we already have south of the ramp. This gives us back our courtesy area. This space is for in & out of ramp & brief time only...**not to be confused with extended time or overnight stay.**

Docks are IN: NO BOATS ON DOCKS UNTIL AFTER MAY 8th: We have the docks in the water however they are not fully secured with cables as of yet and will not support the extra weight of boats at this time. All should be good by the end of next week. Be Patient!!!
